“ My sincerest condolences to the children of Ms Anne. I just now saw on FB that she has passed on to her reward. I would have come to the funeral home to pay my respects had I known. Memory: I bought some some fabric from Ms Anne a few years ago, old fabric that she was pleased to give me a good price on. We enjoyed talking to each other. She came to the shoe store later and we visited. I really liked her and respected her integrity. Heaven's gain! Donna Rozas

“ So sorry to hear of the family's loss, but I know Miss Anne is dancing in Heaven! I remember well the visits to Donald and Anne's place in the country and greatly enjoyed the stories of their hunting exploits. Still brings a smile. My thoughts and prayers are with you all.

“ Thank you so much! Mom and Dad did enjoy hunting together for many years, though Mom would only bring a shovel to dig wildflowers and plants in the early years!
